FOR IMMEDIATE RELEASE:

Alan C. McClure Associates Relocates Corporate Office

HOUSTON, Texas – August 18, 2010: Alan C. McClure Associates (ACMA), one of the industry's premier naval architecture and engineering firms, announced today that the company recently completed relocating its corporate office to 2929 Briarpark, Suite 220, Houston, Texas 77042. The company's new headquarters occupies 6000+ square feet and includes an expanded drafting area as well as a room dedicated to housing the company's extensive computer systems that provide specialized analysis in-house and that can be accessed from remote locations.

"Although we moved less than a mile from our original location that served the company for 35 years, our new location has given us the opportunity to reorganize our offices to better fit the growth we've experienced over the past decade," said ACMA Vice President Darrel Harvey. Company phone and fax numbers, as well as e-mail addresses, all remain the same.

About Alan C. McClure Associates, Inc.

Headquartered in Houston, Texas, Alan C. McClure Associates, Inc. (www.acma-inc.com) is one of the industry's premier naval architecture and engineering firms, and has been providing a wide variety of design and engineering services to an international clientele for 35 years to the offshore industry. Our array of services also includes project management, legal/arbitration consulting, surveying and negotiations. The ACMA staff and services represent the engineering disciplines necessary to successfully complete projects in naval architecture, marine engineering, electrical engineering, mechanical engineering and engineering mechanics.
